- Two USB ports
- Lockable access to CD-ROM & FDD

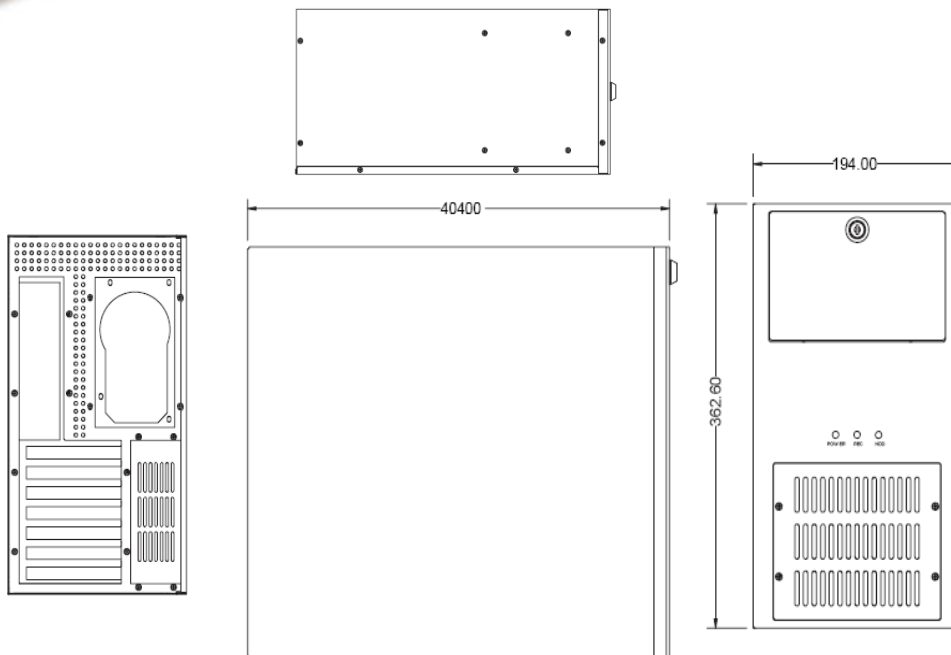

Introduction

The **WMC-710M** provides a high-end solution for a DVR Chassis, perfect for both Mobile and fixed applications. Constructed of heavy-duty steel, the **WMC-710M** ensures the integrity of its contents with a 12CM ball-bearing fan that provides the chassis with a superior cooling system. The **WMC-710M** supports any ATX Motherboard and PS2 type power supply. Two features set the **WMC-710M** apart from its competitors: the chassis supports (8) 3.5" HDD providing users an all-in-one DVR storage solution.
